

ONLINE CE AND TRAINING NOW AVAILABLE

RISFP and RIAIFA have recently partnered with 360training to provide you with another source for your educational needs. With the help of 360training we are now able to offer you online courses for Insurance CE, Certified Financial Planner CE, and Securities and Futures Prep. We will still continue our 3 hour CE classes at the Calart office on a monthly basis for those members who want the "live" teaching approach.

If you would like to view what is available and take courses please use the following steps.

1. Go to www.risfsp.org or www.riaifa.org
2. Click on the 360training Virtual University link.
3. Select the type of course you would like from the different course libraries, if you choose Certified Financial Planner CE or Securities and Futures Prep please skip to step 5.
4. If you have selected Insurance CE or Insurance Pre-license you will need to select your state from the map.
5. Place checks in the boxes for the courses that you would like to take and then Click Add to Cart.
6. Follow the remaining steps to create your profile and pay for your courses.
7. Once you have completed your registration you may begin taking your courses.

360training is the next generation provider of web-based compliance and e-learning solutions for all facets of the insurance and financial services industry. Our solutions are designed by authoritative experts and are designed to deliver fast and efficient results that empower our customers to a higher level of success through:

- * 24X7 anytime, anywhere accessibility of job-critical online training
- * Quality instructional content validated by industry experts
- * Interactive multimedia courses to keep learners engaged, not bored
- * Cutting-edge management technologies that drive bottom line success
- * Dedicated customer support, 7-days per week

RIAIFA and RISFSP have instituted online training in response to requests from our members. We hope that you will view it as another member benefit and that this technology will help you achieve greater success.
